Mike – The State is willing to give us a disk showing all the documents they produced to Sunnyside for a CORA request. Can I give him your name as someone they can send a bill to?

Yes. The cost would be for the disk. Likely around \$10

Scott - What is the cost for this? Is it just the cost to produce a disk? I am not sure who I could list that would be able to pay for something like this but I will check around when I have an idea of the cost.

Thanks

Hi Scott,

Do you have contacts at the EPA and BLM for me to put in the request for scanning? They bill directly without my intervention.

Thanks,

Frank
